FORT LOUDOUN ELECTRIC COOPERATIVE
VONORE, TENNESSEE
Board Policy No. 318

SUBJECT: METER SEALS, METER TAMPERING & POWER DIVERSION

POLICY:

Any person other than an employee of Fort Loudoun Electric Cooperative is prohibited from breaking or removing a meter seal or an electric meter.

PROCEDURE:

If a meter seal has been tampered with or cut, and is discovered by a Fort Loudoun Electric Cooperative employee, an investigation may occur and a $500 tampering fee may be assessed. If power is diverted or there is tampering of a meter which results in the diversion of electricity, criminal charges and civil damages may be assessed against the member up to three (3) times the estimated loss, plus reasonable attorney fees and costs associated with the loss, pursuant to State laws

RESPONSIBILITY:
CEO/General Manager
Assistant General Manager
Protection and Control Supervisor
Meter Technicians and System Technicians
Operational Personnel
Protection and Control Personnel
All Employees
